Closing Words

Closing Music - Dancing Queen - Abba

I'll love you forever, I miss you terribly, rest in peace my darling, love John

As children we were close. I was the youngest so you looked after me.
As we grew up we had families and met at family gatherings.
Jackie, you and I had holidays abroad, taking Charlotte with us.
The last few years that we enjoyed together we grew even closer.
You will be deeply missed and in my thoughts all the time,
your little sister, Jilly

Mom, I will always have the happiest of memories of you ,
I'll always love you, sleep well, love Herb

Don't think of Mom as gone away
Mom's journey's just begun
life holds so many facets
this earth is only one.
Just think of Mom as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days or years.
Think how Mom must be wishing
that we could know today
how nothing but our sadness
can really pass away.
And think of Mom as living
in the hearts of those she touched
for nothing loved is ever lost
and Mom was loved so much.

Helen

Nan, you were my best friend and the most incredible woman I'll ever know.
Your memory will always live on and "your baby" will grow up knowing
what an amazing Great Nan he had. Rest in paradise, all my love, Georgie

Nan, thank you for all the wonderful memories.
I promise I'll always get up and dance like no one's watching, love Alex
